

ABOUT THE STATE

HAPPENINGS OF INTEREST FROM DIFFERENT SECTIONS

Charles L. Read, editor of the Richford Journal, suffered a paralytic shock last week Wednesday. His condition is not considered serious at the present time.

Clifton Jennings of Rutland sustained a fracture of the nose and arm when he fell about 25 feet, while handling ice at the Eddy plant Monday. Jennings is 17 years old. He had been employed by the Eddy company only two days.

The accidental dropping of a gallon of camphorated oil down a register of a Bellows Falls drug store, directly over the furnace, reduced trade in that store Tuesday to a minimum. The odor penetrated the whole business section of the village.

Edwin Manchester, on a trip to his henhouse in West Barre a few evenings ago, found there a large hen hawk, which had just attacked a pullet. The hawk was caught and caged. It measures three and one-half feet across the wings.

Chief of Police Finley of St. Johnsbury, while being treated to chocolates in a store in that place recently, discovered that one given him was a juicy brandy drop, against which the state law has set its verdict. Further investigation showed that they were on sale in other stores, and the lid was immediately clamped on and locked.

George W. Peck of St. Johnsbury has in his possession the daily cash book of the St. Johnsbury house for the year 1863 and a comparison of the entries then with the present day prices is very interesting. On one occasion a Mosaic apple brought in \$50, while an oyster supper netted about half that amount.

Mrs. Patrick Ryan got a bad fall of 11 feet at her home in Rutland Tuesday, while washing outside windows. As she stood upon the piazza roof, the snow, loosened by warmer weather, slid off and took her with it. She received some bad cuts and bruises, but was not seriously injured.

COW OWNERS' MEETINGS

Are to Be Held in Various Towns of Washington County Next Week.

In accordance with the plan of perfecting this organization, meetings are being held in many of the New England towns by the farmers with the purpose of learning more about the association and joining forces to put the dairying business on a firm foundation and allow the producer his fair share of the proceeds from his product. Organizers will be present at all of these meetings, men who will be capable of answering questions and explaining about the association. The week before last New Hampshire farmers answered to the call with several thousand members and this week the farmers of Maine are following suit. Vermont's turn comes next week and following are the scheduled dates and places of the meetings in Washington county and vicinity:

Wednesday—9:30 a. m., West Roxbury, town hall; 1:30 p. m., Northfield; 7:30 p. m., Wardsboro, library hall.

Thursday—9:30 a. m., Berlin Corners; 1:30 p. m., Montpelier, memorial room, city hall.

Friday—9:30 a. m., Barre, Worthen block; 1:30 p. m., Williamstown.

Monday—9:30 a. m., Plainfield; 1:30 p. m., Marshfield.

Friday—1:30 p. m., Waterbury Center, school building; 7:30 p. m., Middlesex.

Three different organizers are following these routes and the meetings are so arranged that every section of the county will be within driving distance of one of the meetings. Don't think because you may be selling cream or butter that this does not apply to you. It concerns every owner of cows and every such person should make it a point to attend one of these meetings and join forces with those who are trying hard to obtain better prices for the product. Remember that if you do not come out to the meeting and become a member of the association that you are hindering the success of the others. It is your duty by your profession as a farmer to support this movement that is New England-wide. The dates of these meetings are positive, so come to town anyway and you will find the meeting place if it is not mentioned above. There are 200,000 cows in Vermont and 20,000 of them are in Washington county. Let them hear from us.

EAT LESS AND TAKE SALTS FOR KIDNEYS

Take a Glass of Salts if Your Back Hurts or Bladder Bothers

The American men and women must guard constantly against kidney trouble, because we eat too much and all our food is rich. Our blood is filled with uric acid which the kidneys strive to filter out; they weaken from overwork, become sluggish; the eliminative tissues clog and the result is kidney trouble, bladder weakness and a general decline in health. When your kidneys feel like lumps of lead; your back hurts or the urine is cloudy, full of sediment, or you are obliged to seek relief two or three times during the night; if you suffer with sick headache or dizzy, nervous spells, acid stomach, or you have rheumatism when the weather is bad, get from your pharmacist about four ounces of Jad Salts; take a tablespoonful in a glass of water before breakfast for a few days and your kidneys will then act fine. This famous salt is made from the acid of grapes and lemon juice, combined with lithia, and has been used for generations to flush and stimulate clogged kidneys; to neutralize the acids in the urine so it no longer is a source of irritation, thus ending bladder disorders.

Jad Salts is inexpensive; cannot injure, makes a delightful, effervescent, lithia-water beverage, and belongs in every home, because nobody can make a mistake by having a good kidney flushing any time—Adv.

AMUSEMENT NOTES

A Funny Man at Barre Opera House Tonight.

"The funniest man on earth" will be seen at the opera house to-night in one of his latest musical comedy creations, entitled, "Twinkle, Twinkle, Little Star." Bob Ott is the particular "little star" surrounded by a group of lesser orbits. This is not an astronomical farce, but a regular crook play. The plot is based on the disappearance of a diamond star. Each Bob Ott show is in a class by itself, really a unique institution; its fame as the latest wide-awake girl show proclaims it the last word in musical comedy. The worth of this organization is known from the Atlantic to the Pacific. Imitators come along and last their brief spell and are gone. This company is now in its second year of continuous and uninterrupted prosperity. It should be borne in mind that each show is absolutely original. Novelty is the keynote of each entertainment. More gorgeous, than anything yet offered with its beautiful girls, swaggar costumes, and elaborate scenery. The musical hits are all new. Amateur contest to-night. Don't miss it—adv.

"My Killarney Rose" Next Monday.

Novelty is the keynote in the entertainment given by the clever character actor and singer, Al H. Wilson, and company in a new Irish song play, "My Killarney Rose," at the Barre opera house Monday, Feb. 5. The performance is as diversified as the colors of a rainbow on the Emerald Isle and blend as beautifully. There is the dramatic interest the comedy element, the musical, the talented numbers. The characteristic scenery, the talented actors and all headed by a star comedian and singer whose reputation is of the highest class. Those who have already felt the charm of Mr. Wilson's show will not miss it—adv.

Home Remedy for All Pain

Are you in pain? This is the question you will want to ask. Is it a headache, a toothache, a neuralgia, a rheumatism, or the most excruciating sufferings of neuritis or rheumatism, bring the relief of pleasure to both patient and doctor. Touching this point, Hugo Enigle, A. M., M. D., says: "Anti-kamnia tablets are come favorites with members of the medical profession; they are very reliable in all kinds of pain, and act at once. To stop pain quickly, the dose is one or two tablets repeated in two or three hours if required. Anti-kamnia tablets relieve all pains due to rheumatism, headache, sciatica, neuralgia, toothache, gout, and are especially useful for all conditions known as women's aches and pains. Anti-kamnia tablets have no unpleasant after-effects, and in 92 percent of all cases they stop the pain immediately. Ask for A. K. Tablets. Obtainable at drug stores in any quantity desired."

Wilson's unique personality still continue to flock to his standard wherever his appearance is announced, while those who have yet to enjoy his performance can anticipate a maximum of delight with a minimum of cost, for the price of admission. To once see him act and hear him sing makes you immediately his admirer for the average theatregoer applauds cleverness in any form and Mr. Wilson certainly possesses this gift to a remarkable degree—adv.

MAY LEAVE FORT ETHAN ALLEN.

Second Cavalry Said to Be Slated to Go Southbound.

Burlington, Feb. 2.—There is well grounded rumor that the Second Cavalry now stationed at Fort Ethan Allen is to be transferred to a southern post. The regiment arrived at the post in December, 1913, and has now stayed about the length of time most regiments stay on duty in one place. It is also rumored that the regiment will be relieved by the Fifteenth Cavalry.

The Second Cavalry will probably not leave before spring. The first squadron, which left a year ago, has stayed south when it was thought they were only going for a short stay.

No official orders have been received as yet. Dick Harte, the stocky little catcher on the Harvard baseball nine, says that this talk about his quitting the game is all tommy-rot, as he has no idea of laying off, and that springtime can not come around too quickly for him. With Harte in line, the Crimson have one of the best catchers in college baseball, and the team will be strengthened at least 25 per cent.

Diseases of Children

I find worms one of the most common of children's diseases—either pinworms or stomach worms. These parasites make their presence felt through deranged stomach, swollen upper lip, sour stomach, offensive breath, hard and full belly with occasional gripings and pains about the navel, raw face of leaden tint, eyes heavy and dull, twitching eyelids, itching of the nose, itching of the rectum, short dry cough, grinding of the teeth, little red points sticking out on tongue, starting during sleep, slow fever.

For over 60 years Dr. Tru's Elixir, the Family Laxative and Worm Expeller, has been the standard remedy for worms, stomach disorders and constipation, both for children and adults. Mr. Wm. L. Wylie of Houston, Texas, writes: "I want to say that Dr. Tru's Elixir is certainly a fine medicine." At all dealers, 25c, 50c and \$1.00. Admire free. Write to us for further information.

Corns Peel Right Off With "Gets-It"

2 Drops, and the Corn Is a "Goner!" When you've got to walk on the corn of your shoe to get away from those awful corns, there's only one common-sense thing to do. Put 2 or 3 drops of "Gets-It" on the corn.

Use "Gets-It" Your Corns Won't Swell in Water. Beasler's "Gets-It" Shrivels, Loosens and Peels Off!

Right away. Pain and inflammation will disappear; the corn will begin to shrivel from that instant—then it loosens and falls right off. There's no other corn-remover in the world that acts like "Gets-It." No new discovery has been made in corn-removers since "Gets-It" was born. Don't forget that fact. "Gets-It" does away forever with the use of salves that irritate, bandages that make a bundle of your toe, plasters that half do the work, knives and razors that draw blood. Use "Gets-It"—no more digging or cutting.

"Gets-It" is sold everywhere. Use a bottle, or send on receipt of price by E. Lawrence & Co., Chicago, Ill.
